

DATE: July 10, 2008
TO: All Faculty
FROM: The Elections Committee
SUBJECT: Initial Report of 2008 Faculty Council on Education Elections Results

The Elections Committee has completed the count of the ballots in the recent Faculty Council on Education elections. Copies of the Elections Committees notes of the count are available for review in the Federation Office, BR-63, by request.

Please note the following:

- The number of representatives to which each department is entitled is listed beside each department. The first figure indicates the number of Full-time reps, the second figure indicates the number of Part-time/Visiting Lecturer reps.
- Where a department is entitled to more than one representative, names are listed in alphabetical order. Where there is more than one alternate, names are listed in descending order in accordance with number of votes received, and the number is listed beside each name.
- Where individuals have won races for both departmental and at-large positions, they will be contacted and asked which position they wish to hold. These individuals are denoted by an *. Because of this situation, it is possible that some individuals currently listed as alternates will in fact be representatives, and some shown as not winning a position will in fact have positions on the Council. These changes will be reflected in the final report.
- Where write-in candidates have won positions as representatives or alternates, they will be contacted to ask if they are willing to serve. These individuals are denoted by (WI).
- Where individuals have tied for positions, they will be asked to decide who shall serve in the given position. These individuals are denoted by (T)

Once all races have been resolved, a final report will be issued.
