

FEDERATION ELECTIONS - 2004-2005

Final Report of Winners
Amended February 3, 2005

The following report has been amended to correct the spelling of the names of two representatives and to include the name of James J. Gallagher, a write-in candidate from the Economics and Accounting department in the PT/VL unit, whose name was omitted from the original Final Report of January 25 as a result of an error in communications. The amended report shows the final outcome of the most recent Federation elections, with the error rectified. Copies of the Elections Committee's notes, showing how many votes were received by every candidate, including write-in votes for candidates ineligible to hold office in the department or bargaining unit for which they were written in, are available by request in the Federation Office.

Note: Where a department is entitled to more than one representative, representatives are listed in alphabetical order by last name but, where applicable, alternates are listed in descending order by number of votes received. Numbers of votes received are listed when there is more than one alternate.
